You are receiving this notice as **Alphamin Resources Corp.** has decided to use the notice-and-access procedures available under applicable securities legislation for delivery of meeting materials to its shareholders for the meeting. This Notice of Meeting is prepared under the notice-and-access rules under National Instrument 54-101 - *Communications with Beneficial Owners of Securities of a Reporting Issuer*. Under notice-and-access, shareholders will receive a Proxy or Voting Instruction Form enabling them to vote at the meeting. However, instead of a paper copy of the meeting materials, shareholders receive this notice with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly and helps reduce the costs of paper, printing and mailing charges of meeting materials to shareholders. The meeting materials for the meeting are available on the Internet. This communication presents only an overview of the more complete meeting materials that are available to you on the Internet. We remind you to access and review all of the important information contained in the information circular and other proxy materials before voting.
